What better step-saving tool is there? Reward service technicians with a product that will make their jobs easier and more efficient. Increase shop productivity today.

**FEATURES:**
- Your choice of four attractive powder coat finishes. Choose your own personalized combination. If your lift is blue, choose blue or consider yellow or red for that stand-out look. Black is another popular option to fit any color scheme.
- Easy-to-install. Adapts to most surface-mount lifts or any nearby wall.
- 20 amp (20-5R) outlets with GFCI protection are standard.
- Electrical outlets are positioned above the filter to prevent moisture problems (common with others).
- Air system provides both filtered non-lubricated and lubricated air—one for tire inflation and blow guns, the other for your pneumatic tools.

**BENEFITS:**
- Air lines and electrical cords are within easy reach.
- Your surface mount lifts become more service tech friendly.
- Enhances your overall shop appearance and performance.
